The O'Neill Brothers Announce 2022 Holiday Shows on Two Pianos

Acclaimed artists, The O'Neill Brothers are excited to announce their select 2022 Christmas concerts on two grand pianos. For the first time in twelve years, Tim and Ryan O'Neill will be performing a spectacular holiday show along with an incredible group of guest musicians. The performances will be held at the Ives Auditorium at the Masonic Heritage Center in Bloomington, MN on December 16-17.

Over the past 30 years, piano-playing brothers Tim and Ryan O'Neill have had their music streamed online more than one billion (!) times; sold more than 10 million copies of their songs; toured with '80s pop sensation Debbie Gibson; and provided music for movies, NBC, CBS, HBO, PBS and more. Recently inducted into the Minnesota Music Hall of Fame, the brothers have kept a low profile as a Minnesota success story. Fans worldwide have embraced their music, including original compositions as well as covers of holiday favorites, Irish songs, classic and original love songs, lullabies, movie and Broadway songs, patriotic music, familiar inspirational songs, wedding music and more.

In concert, Tim and Ryan sing and play many Christmas favorites and perform several songs from their wide array of piano albums. Their dazzling performance, plus humor and wit, will delight audiences of all ages. Come and experience this amazing Christmas show!

All ticket proceeds will benefit The O'Neill Foundation of Hope, a nonprofit organization to help families in need.
